Fios e Cordas Rústicas

PP UV-Resistant

Rustic Nautical Cord

Braided Cord from Ø 8mm

Technical Features	Composition	Construction
Abrasion resistance: Excellent Shock Resistance: Excellent Fatigue Resistance: Excellent	100% PP BCF 2401 Denier With UV Treatment Expressed in %	Construction in PP BCF
Composed of polypropylene, hyper resistant material to UV rays, heat, humidity and weather agents		CORE PES (HT) TORCIDOS 3000D A 16 FUSOS 50 VOLTIOS S-Z" | COVER POLIESTER HT BRAIDED : 32 PLAITED
High linear resistance, low stretching		

Last version: 15.07.2024
