Cordas Torcidas PP

PP UV-Resistant

Twisted Nautical Rope

Twisted Cord from Ø 8mm - 20mm

Technical Features	Composition	Construction
Abrasion resistance: Excellent Shock Resistance: Excellent Fatigue Resistance: Excellent	100% PP With UV Treatment Expressed in %	Construction in PP
Composed of polypropylene, hyper resistant material to UV rays, heat, humidity and weather agents		
High linear resistance, low stretching		TWISTED 3-PLY | TORCIDA 3 CABOS

Espessura	Peso (g/m)	Carga ruptura (kgf)
8mm	**32,1**	700
10mm	**50,1**	1090
12mm	**72,1**	1540
14mm	**98,2**	2100
16mm	**128**	2800
18mm	**162**	3870
20mm	**200**	4270
