Fio Emergência

PES HT Hight Tenacity

Polyester Braided Nautical Cord

Braided Cord Ø 2.5mm | REF: FEME25

Technical Features	Composition	Constr
Abrasion resistance: Excellent Shock Resistance: Excellent Fatigue Resistance: Excellent	100% Polyester Expressed in %	Construction in PES
Composed of polyester, hyper resistant material to UV rays, heat, humidity and weather agents		CORE PES (HT) TORCIDOS 3000D A 16 FUSOS 50 VOLTIOS S-Z"
High linear resistance, low stretching		COVER POLIESTER HT BRAIDED : 16 PLAITED
